

As a Trustee you will have:

- Induction session/briefings
- Opportunities to influence strategic decisions and develop new skills
- Opportunities to network in the climate change education space
- The chance to boost understanding and action on climate change

The expected time commitment is 4 Trustee meetings per year (held online, usually on Saturday mornings for 1.5hrs); occasional in-person meetings or events (1-2 per year) and some ad hoc committee work (usually focused on your area of expertise or interest).

We particularly welcome applications from all ages and backgrounds as we want our board to reflect the communities we support. To enhance the diversity of our board, we would particularly like to hear from young people, ethnic minorities, teachers and those based outside of the south-east of England.

To apply, please send your one-page CV with a short covering letter explaining why you'd like to be a YCW Trustee and what you'd bring to the role to katrina@youngclimatewarriors.org by 7th April 2023.

Interviews will take place online in the first two weeks of May. References will be requested at this stage. Successful candidates will be invited to join the next board meeting in June.

For further information or an informal chat, please contact Katrina, our Founder and Chair katrina@youngclimatewarriors.org

Please feel free to forward this to your local climate hub or share with anyone you feel would be great for the role.
