

## Young Climate Warriors Photography and filming consent form.

I **confirm**: that I have read the Young Climate Warriors' photography and filming policy – that can be found here – <https://www.youngclimatewarriors.org/youngclimatewarriorspolicies> and discussed it with my child.

I **agree**: to my child being photographed and/or videoed and consent to their use:

- on the Young Climate Warriors' website, and Young Climate Warriors social media posts.
- in published articles or features about Young Climate Warriors in printed materials or online news media.

I **understand**: the potential risks associated with the use and distribution of these images and how they will be stored by Young Climate Warriors. I understand that if I withdraw consent for my child's image to be used or shared in the future, it may not be possible to remove images that have already been published or distributed.

Young Climate Warriors aims to provide a safe and enjoyable experience for every child or young person. To help us do this, please note the following important information. We recognise the need to ensure the welfare and safety of all children. We will not take or share photographs, video or other images of children and young people without the consent of the children involved and their parents or carers.

We have a Photography, Filming and Image-sharing policy, and an Online safety policy – both available on our website:

<https://www.youngclimatewarriors.org/youngclimatewarriorspolicies>

We will take all steps to ensure images of children are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform Katrina Judge ([katrina@youngclimatewarriors.org](mailto:katrina@youngclimatewarriors.org)) immediately, or Sarah Austin ([saraha@youngclimatewarriors.org](mailto:saraha@youngclimatewarriors.org)), our Designated lead safeguarding Trustee.
